

Enhancing Your Skills as an Intervener: An Introduction to the Cape Cod Model for Psychotherapists, Coaches, Consultants, and Other Professionals

Dates	November 15-18, 2018 Begins Thursday, 3pm Ends Sunday, 12noon
Fee	\$895* / GISC Members: \$845 \$650 Mental Health Counselors & Psychotherapists
CE hours	24 - APA, ICF
Faculty	Carol Brockmon, LCSW, PCC, and Spencer Melnick, LCSW

The Cape Cod Model® is a unique, optimistic, and immediate approach to supporting change in individuals, small groups, and organizations. For decades it has been successfully employed by clinicians, coaches, psychotherapists, and consultants.

This workshop introduces participants to this simple yet powerful intervention model.

Participants are taught to see and articulate the competence of the client system, followed by specific structured feedback interventions in real-time client interactions. By learning to perceive the system and to provide brief, bold, and direct feedback, participants will dramatically increase their ability to create effective interventions necessary to support change and growth.

Faculty of the internationally known Cape Cod Training Program (CCTP) will introduce the key concepts and skills of this highly effective model through presentation of theory, client demonstrations, and practicum exercises.

This orientation to the methodology provides an excellent foundation for the practice-based, intensive Cape Cod Training Program.

“I did not expect this workshop to have such an impact on my professional life. It is hard to imagine continuing to work with the approach I was used to.”

Michael Beyer
OD Consultant
Germany

Benefits

Participants will:

- Learn to begin to perceive an individual, a couple, or group as a system
- Identify and begin to articulate clearly what the system is doing well
- Observe and practice the techniques of highly effective, in-the-moment feedback
- Use themselves authentically to become instruments of influence
- Have an opportunity for extensive practice

Participants

This workshop is appropriate for organizational consultants, coaches, clinicians, psychotherapists, and other advisors. It may also be useful to managers and leaders in their work with individuals and teams.

* Participants who complete Enhancing Your Skills as an Intervener qualify to apply up to a \$500 tuition credit to one of our major Cape Cod Model programs: Cape Cod Training Program or the Competency Development Program for Coach Certification within 12 months. Please inquire!

[ICF has certified this course for 24 core competency hours.](#)
